Reasons for allowance

1. The following is an examiner's statement of reasons for allowance:

Applicant's claimed invention distinguished over the prior art for the following reasons. The claims are allowable over the prior art of record because none of the references, either alone or in combination, discloses or renders obvious the method for providing a discovery service in a peer-to-peer network, the method comprising a peer group name server receiving information about a peer group, wherein the peer group comprises one or more peers as member peers of the peer group, wherein the one or more peers reside on one or more network nodes coupled to the network; and the peer group name server storing the received information about the peer group; wherein the information about the peer group stored on the peer group name server is accessible to entities on the network through the peer group name server to discover the peer group.

Conclusion

2. Any comments considering necessary by applicant must be submitted no later than the payment of issue fee and, to avoid processing delays, should preferably accompany the issue fee.
